ABOUT US

Herafion Lighting is a leading company considered as one of the national companies specialized in the manufacture of lighting poles. Herafion was Established in 2009 and it's based in Jeddah - KSA. herafion Lighting has successfully completed numerous large-scale turnkey projects for many prestigious clients in different sectors including:

1. Lighting poles for highways and main roads.
2. Lighting poles for Gardens in different regions in the Kingdom.
3. Hazardous Lighting for oil, gas and petrochemical industries.
4. Copper lanterns and chandeliers for mosque and palace.
5. Commercial Lightings for Palace, Villas, offices, Hotels, Towers, Mall...

Mission

Herafion is committed to provide the highest quality product possible through our highly skilled and dedicated employees and state-of-the-art and manufacturing process. Proper employees are expected to serve the customer with the highest level of technical knowledge in the industry. That result in customer and employee satisfaction.

Vision

We aim to be the country's leader in providing indoor and outdoor lightings and related services and make lighting more effective, efficient, cost-effective, and enviro-friendly.

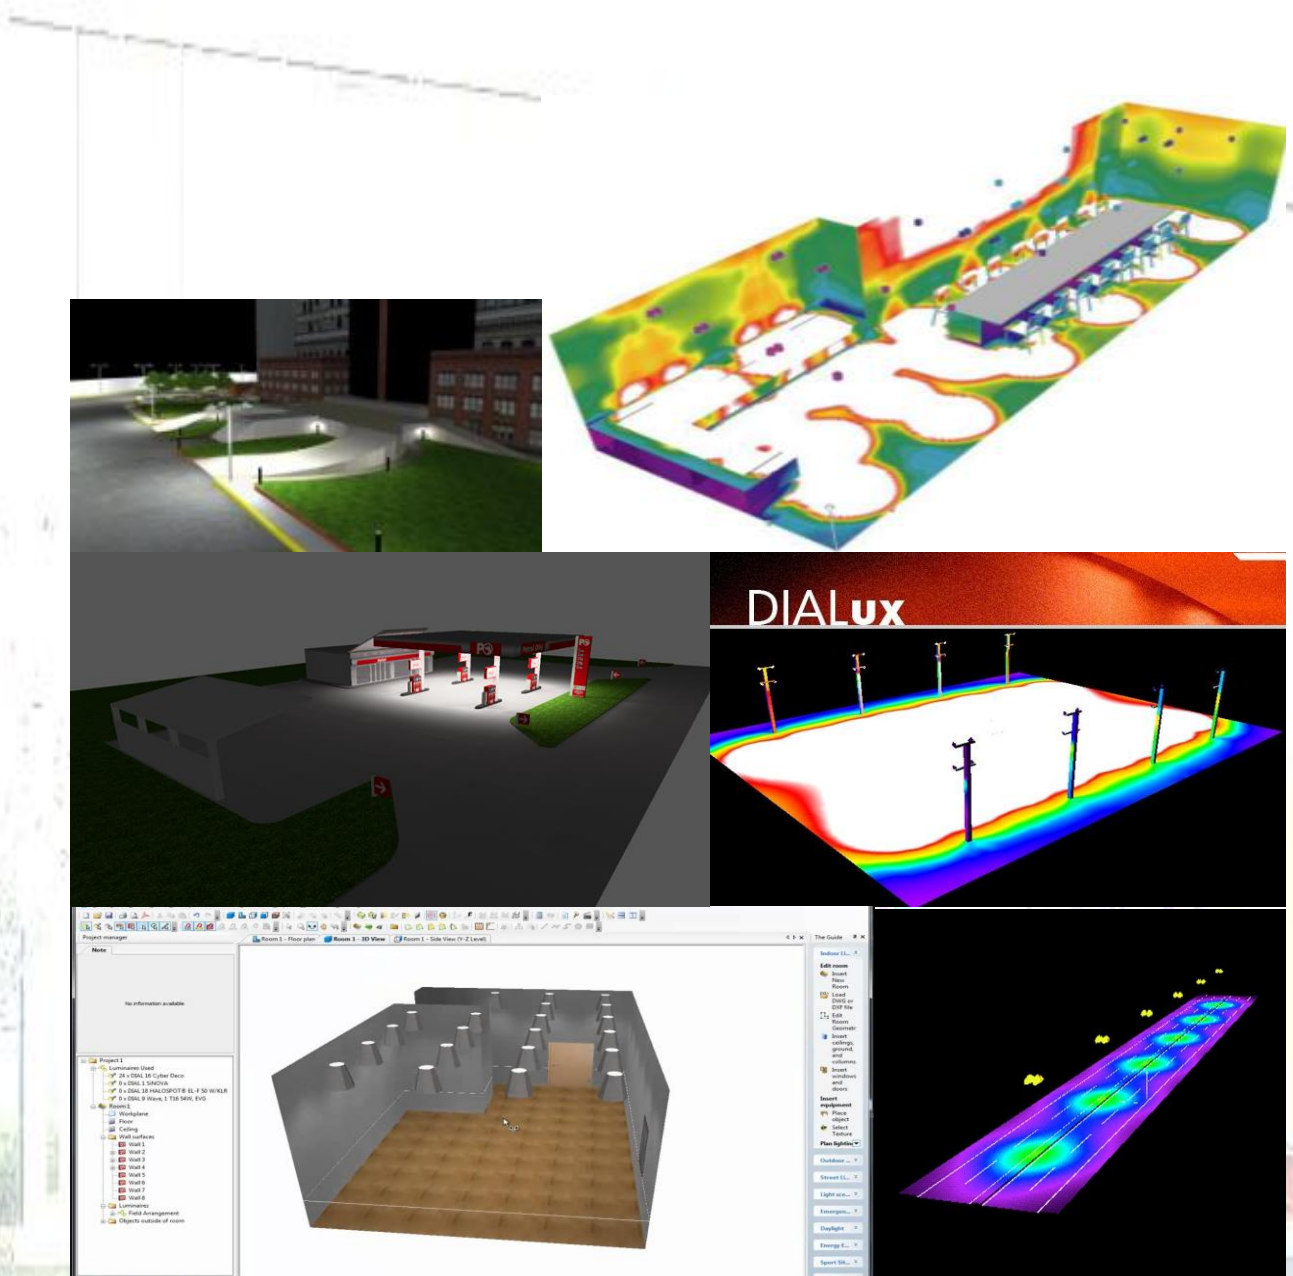

Herafion has positioned itself as a market leader in the Kingdom for the design and distribution of architectural, industrial and commercial lighting solutions. It distributes a diverse range of light fittings to the industrial and wholesale markets.

The following is an overview of our products and company divisions :

LIGHTING DESIGNER DEPARTMENT

In this section, a group of engineers and designers are specialized to carry out studies and required maps for the implementation of interior and exterior lighting projects for factories - Oil & Gas Plant - offices - hospitals - schools - universities - Malls - government departments - stadiums - tunnels etc ...

Our Lighting engineers help you to design Dialux Lights Simulations & LED lighting FOR FREE

MANUFACTURING OF DECORATIVE POLES

- This section is specialized in the manufacture of decorative Poles of aluminum and Steel, for the gardens, streets and public squares...

On the other hand, herafion deals with HDG Octagonal, Conical and Fiber Glass street lighting poles.

All our lighting poles are recognized by MOMRA & SASO.

- All our lighting poles are recognized by SASO and tested by **BUREAU VERITAS**.

TEST METHODS:

BS ES 40-1

BS EN 40-3-1/2013

BS EN 40-3-2/2013 TEST LOAD, ACCEPTANCE CRITERIA

FLOOR LIGHT

LIGHT AS FLEXIBLE AS YOUR PERSONAL DAY.

LIGHT CAN BE ADJUSTED INTUITIVELY TO YOUR INDIVIDUAL NEEDS. WITH THE APP CONTROL SYSTEM, FLOOR BECOMES A FLEXIBLE TOOL. ON THE BASIS OF SIMPLE QUESTIONS ABOUT YOUR DAILY WORKING HABITS, THE APP CALCULATES YOUR PERSONAL LIGHT CURVE, WHICH IS TRANSMITTED TO THE LAMP VIA BLUETOOTH. THE INTENSITY AND COLOR OF THE LIGHT ARE REGULATED AUTOMATICALLY. THERE IS NO EASIER WAY.

THE FUTURE IS NOW

The world has changed and there are huge expectations for urban areas. Only the ones who take this challenge as a chance will create an attractive environment with additional benefit for their residents, tourists and business people.

ALL-IN-ONE

What is the challenge? People want to be available everywhere, communicate in a fast way and easily recall all necessary information. At the same time, they want to feel comfortable and save and enjoy a relaxing atmosphere at a unique place. Necessary supply units for e.g. electronic cars or electronic bikes shall be easy accessible and blend in perfectly within the cityscape.
